INDEX TO VOLUME 5

Abbott, L. C.: Delbet walking plaster for treatment of delayed union in fractures of both bones of leg..... 485

Acetabulum, osteo-arthritic protrusion of acetabulum (intrapelvic Pfannenvorwölbung); A. E. Hertzler..... 691

Adenoma, intestinal adenomas of endometrial type, their importance and their relation to ovarian hematomas of endometrial type (perforating hemorrhagic cysts of ovary); J. A. Sampson..... 217

Allison, N., and Brooks, B.: Bone atrophy: a clinical study of changes in bone which result from nonuse..... 499

Bancroft, F. W.: Bone repair following injury and infection..... 646

Bile, function of gallbladder in biliary flow; C. Jacobson and C. Gydesen. 374

Bladder tumor, preoperative treatment of malignant tumors of bladder by radium; A. J. Scholl and W. F. Braasch..... 334

Blaisdell, F. E.: Fracture of tibial spine, an experimental study..... 561

Blood, direct transfusion of blood, report of cases; J. S. Horsley, W. T. Vaughan and A. I. Dodson..... 301

Bone atrophy: a clinical study of changes in bone which result from nonuse; N. Allison and B. Brooks..... 499

Marrow, changes in morphology and function of bone marrow after splenectomy; E. M. Johnstone..... 159

Repair following injury and infection; F. W. Bancroft..... 646

Braasch, W. F., and Scholl, A. J.: Preoperative treatment of malignant tumors of bladder by radium..... 334

Brain tumor, value of ventriculograms in localization of intracranial lesions: 3 cases of obstructive hydrocephalus and one of brain tumor; E. B. Towne..... 144

Breast, residual lactation acini in female breast, their relation to chronic cystic mastitis and malignant disease; J. McFarland..... 1

Brooks, B.: Pathologic changes in muscle as a result of disturbances of circulation, an experimental study of Volkmann's ischemic paralysis. 188

and Allison, N.: Bone atrophy: a clinical study of changes in bone which result from nonuse..... 499

Cohn, I.: Observations on the normally developing knee..... 395

Cole, W. H.: Results of treatment of fractured femurs in children, with especial reference to Bryant's overhead traction..... 702

Davis, G. G.: Osteosclerosis fragilis generalisata, Marmorknochen: Albers-Schönberg disease..... 449

Delbet walking plaster for treatment of delayed union in fractures of both bones of leg; L. C. Abbott..... 485

Dodson, A. I.; Horsley, J. S., and Vaughan, W. T.: Direct transfusion of blood, report of cases 301

Ely, L. W.: Experimental study of healing of fractures 527

Endometrial tissue, autotransplantation of; V. C. Jacobson 281

Femur, results of treatment of fractured femurs in children, with especial reference to Bryant's overhead traction; W. H. Cole 702

Fracture, Delbet walking plaster for treatment of delayed union in fractures of both bones of leg; L. C. Abbott 485

experimental study of healing of fractures; L. W. Ely 527

lipping fracture of lower articular end of tibia; B. F. Lounsbury and A. R. Metz 678

of tibial spine, an experimental study; F. E. Blaisdell 561

results of treatment of fractured femurs in children, with especial reference to Bryant's overhead traction; W. H. Cole 702

Gallbladder, function of gallbladder in biliary flow; C. Jacobson and C. Gydesen 374

Glover, D. M.: Osteopsathyrosis: report of case, with roentgenograms of 11 different fractures in same patient 464

Gurd, F. B.: Scoliosis accompanying chronic infected open pneumothorax: its causation and correction 366

Gydesen, C., and Jacobson, C.: Function of gallbladder in biliary flow 374

Hertzler, A. E.: Osteo-arthritic protrusion of acetabulum (intrapelvic Pfannenvorwölbung) 691

Horsley, J. S.; Vaughan, W. T., and Dodson, A. I.: Direct transfusion of blood, report of cases 301

Hydrocephalus, value of ventriculograms in localization of intracranial lesions, 3 cases of obstructive hydrocephalus and one of brain tumor; E. B. Towne 144

Intestinal adenomas of endometrial type, their importance and their relation to ovarian hematomas of endometrial type (perforating hemorrhagic cysts of ovary); J. A. Sampson 217

Jacobson, C., and Gydesen, C.: Function of gallbladder in biliary flow 374

Jacobson, V. C.: Autotransplantation of endometrial tissue in rabbit 281

Johnstone, E. M.: Changes in morphology and function of bone marrow after splenectomy 159

Kidney, leukoplakia of kidney pelvis; H. L. Kretschmer 348

primary squamous-cell carcinoma of kidney as a sequel of renal calculi; H. G. Wells 356

Kleinberg, S.: Operative treatment of scoliosis 631

Knee, observations on the normally developing knee; I. Cohn 395

Kretschmer, H. L.: Leukoplakia of kidney pelvis 348

Lactation, residual lactation acini in female breast, their relation to chronic cystic mastitis and malignant disease; J. McFarland 1

Leukoplakia of kidney pelvis; H. L. Kretschmer..... 348

Lounsbury, B. F., and Metz, A. R.: Lipping fracture of lower articular end of tibia..... 678

Lymph glands, proper treatment of chronic malign diseases of superficial lymph glands; J. L. Yates..... 65

McFarland, J.: Residual lactation acini in female breast, their relation to chronic cystic mastitis and malignant disease..... 1

Malone, J. Y., and Sachs, E.: An experimental study of methods for bridging nerve defects, with a description of a new method of autotransplant (auto-autotransplant) 314

Matas, R.: Value of artificial aids to respiration in "acute operative collapse of lungs" (surgical pneumothorax) occurring in course of intrathoracic operations, an historical review and a discussion..... 110

Metz, A. R., and Lounsbury, B. F.: Lipping fracture of lower articular end of tibia..... 678

Meyer, W.: Negative chamber in open pneumothorax, a personal experience 134, 448

Muscle, pathologic changes in muscle as a result of disturbances of circulation, an experimental study of Volkmann's ischemic paralysis; B. Brooks..... 188

Nerve, an experimental study of methods for bridging nerve defects, with a description of a new method of autotransplant (auto-autotransplant); E. Sachs and J. Y. Malone..... 314

Orthopedic surgery, eighteenth report of progress in orthopedic surgery; R. B. Osgood, R. Soutter, H. C. Low, M. S. Danforth, L. T. Brown and P. D. Wilson..... 413

Osgood, R. B., and others: Eighteenth report of progress in orthopedic surgery 413

Osteo-arthritic protrusion of acetabulum (intrapelvic Pfannenvorwölbung); A. E. Hertzler..... 691

Osteopsathyrosis: report of case, with roentgenograms of 11 different fractures in same patient; D. M. Glover..... 464

Osteosclerosis fragilis generalisata, Marmorknochen: Albers-Schönberg disease; G. G. Davis..... 449

Paralysis, pathologic changes in muscle as a result of disturbances of circulation, an experimental study of Volkmann's ischemic paralysis; B. Brooks..... 188

Pneumothorax, open, negative chamber in open pneumothorax, a personal experience; W. Meyer..... 134

open, "negative chamber in open pneumothorax: a personal experience"; W. Meyer..... 448

open, scoliosis accompanying chronic infected open pneumothorax: its causation and correction; F. B. Gurd..... 366

surgical, value of artificial aids to respiration in "acute operative collapse of lungs" (surgical pneumothorax) occurring in course of intrathoracic operations, an historical review and a discussion; R. Matas 110

Respiration, value of artificial aids to respiration in "acute operative collapse of lungs" (surgical pneumothorax) occurring in course of intrathoracic operations, an historical review and discussion; R. Matas 110

Sachs, E., and Malone, J. Y.: An experimental study of methods for bridging nerve defects, with a description of a new method of autotransplant (auto-autotransplant)..... 314

Sampson, J. A.: Intestinal adenomas of endometrial type, their importance and their relation to ovarian hematomas of endometrial type (perforating hemorrhagic cysts of ovary)..... 217

Scholl, A. J., and Braasch, W. F.: Preoperative treatment of malignant tumors of bladder by radium..... 334

Scoliosis accompanying chronic infected open pneumothorax: its causation and correction; F. B. Gurd..... 366

observations on corrective and operative treatment of structural scoliosis; A. Whitman..... 578

operative treatment of scoliosis; S. Kleinberg..... 631

Splenectomy, changes in morphology and function of bone marrow after splenectomy; E. M. Johnstone..... 159

Thorax, surgery, negative chamber in open pneumothorax, a personal experience; W. Meyer.....134, 448

value of artificial aids to respiration in "acute operative collapse of lungs" (surgical pneumothorax) occurring in course of intrathoracic operations, an historical review and discussion; R. Matas..... 110

Tibia, fracture of tibial spine, an experimental study; F. E. Blaisdell..... 561

lipping fracture of lower articular end of tibia; B. F. Lounsbury and A. R. Metz..... 678

Towne, E. B.: Value of ventriculograms in localization of intracranial lesions: 3 cases of obstructive hydrocephalus and one of brain tumor. 144

Transplantation, autotransplantation of endometrial tissue in rabbit; V. C. Jacobson 281

Vaughan, W. T., Dodson, A. I., and Horsley, J. S.: Direct transfusion of blood, report of cases..... 301

Ventriculograms in localization of intracranial lesions: 3 cases of obstructive hydrocephalus and one of brain tumor; E. B. Towne..... 144

Wells, H. G.: Primary squamous-cell carcinoma of kidney as a sequel of renal calculi..... 356

Whitman, A.: Observations on corrective and operative treatment of structural scoliosis..... 578

Yates, J. L.: Proper treatment of chronic malign diseases of superficial lymph glands..... 65
